Please provide us with the following information about who will be picking up your camper from day camp. Campers will only be released to adults listed on this *Camper Release for Check-out form*. The adult listed on this form must show PHOTO IDENTIFICATION and will be required to sign for the camper they are picking up. For your camper's safety, there will be no exceptions. **All changes must be made in writing to the Camp Director with the parent/guardian's signature.**

Camper Release lists the people that they will be required to show photo identification at pick up location, and sign for your camper before she will be released. See attached sheet and/or back of this form for those that have permission.
